

### TCI<sup>®</sup> 29.2 Lightweight Flexplates For BBC/SBC & GM LS Applications Offer Heavy-Duty Strength, Less Weight

Ashland, MS – A new one-piece flexplate from TCI<sup>®</sup> offers heavy-duty strength with less weight for high-RPM Small and Big Block Chevrolet, as well as GM LS, applications.

The SFI 29.2-certified flexplate is made from 4140 forged steel and features a hobbed-on ring gear and laser-welded converter spacers. Gas nitriding provides for extra surface hardness and strength, while CNC-milled pockets and lightening holes reduce the flexplate's rotating mass and drop overall weight. The SBC/BBC flexplate weighs just 5.3 pounds, while the LS flexplate weighs 6.11 pounds. E-coating offers corrosion protection.

Built to withstand 12,000-plus RPM, the flexplate is a heavy-duty OEM replacement that accepts a converter with LS1 or Small or Big Block Chevrolet bolt pattern.

#### Quick Facts

**Product:** TCI<sup>®</sup> 29.2 Lightweight Flexplates for BBC/SBC & GM LS Applications

**Part Number:** #399853LW (LS); #399870LW (BBC/SBC)

**Social Media Pitch:** TCI<sup>®</sup> 29.2 Lightweight Flexplates for BBC/SBS & GM LS applications can withstand 12,000 RPM

#### **Features & Benefits:**

- SFI 29.2 certified
- Gas-nitrided 4140 forged steel
- CNC-milled pockets and lightening holes reduce rotating mass & overall weight
- Feature hobbed-on ring gear
- SBC/BBC flexplate weighs 5.3 lbs, while LS flexplate weighs 6.11 lbs.

#### **About TCI<sup>®</sup>**

When TCI<sup>®</sup> opened its doors in 1968, it was a modest operation dedicated to delivering high performance transmission-related parts to a small group of drag racers. From those humble beginnings in Memphis, TN, TCI<sup>®</sup> has grown to be one of the largest and most technologically advanced manufacturers of high performance aftermarket drivetrain products. Now located in Ashland, MS, some 45 miles from parent company the COMP Performance Group<sup>™</sup>, TCI<sup>®</sup> continues to set trends and expand its line of quality transmission, torque converter and accessory parts.
