

COMP Performance Group™ Readies For 2016 PRI Trade Show

Memphis, TN – Each December more than 1,200 motorsports companies set up shop in Indianapolis' Indiana Convention Center for the PRI Trade Show. The COMP Performance Group™ (CPG) will be a featured player again in 2016.

Coming off a wildly successful SEMA Show that saw CPG pick up three product awards, the company now turns its attention to the business of racing. The PRI Trade Show takes place from December 8 – 10, with the COMP Performance Group™ slated for booths no. 625 and 725 in the Green Hall. Racing products from brands including COMP Cams®, FAST®, TCI®, Quarter Master®, RHS®, ZEX™ and Powerhouse® Products will all be on hand. They will represent circle track, drag and road course racing, as well as off-road and marine competition.

Among the featured new products are award-winning COMP Cams® XD-A™ Adjustable Pushrods and SPR™ Radius Tip Rocker Arms for GM LS1 and LS3 Engines, TCI® 29.2 Lightweight Flexplates and Diablo Shifters, a variety of FAST® fuel injection systems, manifolds, racing distributors and wiring harnesses, the Low Ground Clearance Bellhousing Kit and clutches from Quarter Master®, and much more. A variety of product literature will also be available, along with an experienced and knowledgeable sales staff to answer questions and provide tech advice. For more information on the PRI Show, visit www.prishow.com.
